Recent highlights

Our **public meetings** are held on the **second Monday of each month at 5:00 PM**, and we encourage everyone to attend and participate. We understand that parking can be limited, and we appreciate your patience as we work on longer-term solutions.

Behind the scenes, we have been making important administrative updates, including transitioning to **QuickBooks**, updating the town **website**, and improving our communication channels to help keep residents informed and involved.

Several community improvement projects are also underway:

- **Basketball and pickleball courts** – Construction has begun and will continue over the coming months.
- **Parking lot and sidewalks project** – Work is progressing.
- **Speed limit sign installation** – We are awaiting PennDOT approval before installation can move forward.
- **Park pavilion electrical repairs** – We plan to fix the existing electrical issues and install the septic alarm.

We're excited about these developments and grateful for the community's continued support and involvement.

Utilities & Local Services

- PAWC Water – 800-565-7292
- West Penn Power – 800-544-4877
- Columbia Gas – 888-460-4332

- Septic Services: Ohio Valley Septic – 304-737-1406 | A-Affordable – 800-371-3255
- Deer Removal – 724-223-4480

Our next area of focus

Encouraging Community Involvement

We want to strengthen communication and increase participation across the borough. In the coming time, we plan to:

- Install a **community suggestion box**
- Host **community events**
- Encourage more residents to get involved through volunteering and participation
